BE IT REMEMBERED that this matter was called for a second pretrial conference on June 17, 2016. Counsel for parties appeared and argued their motions in limine.

The court next heard the Defendants' remaining motions in limine and granted motions numbered 17B, 19, 22, and 23. The Court denied motions numbered 17A, 18, 21 and 24 and the Court declined to rule on number 4 until trial. Numbers 17C, 20, and 25 were taken under submission.
